Dear Parents/Caregivers,

### Voluntary School Contributions and Charges 2020

Our 2020 Voluntary Contributions and Charges are listed below. We hope this will be helpful when calculating costs for the coming school year.

#### Voluntary Contributions

For 2020, we have kept our Voluntary Contribution at \$60.00 per year for Kindergarten to Year 6 students. The total Voluntary Contribution amount is within the student maximum set in the School Education Regulations 2000. While contributions are voluntary, the quality of our teaching and learning programmes is maximised when each family makes its contribution to the cost of supplementing funding gained from other sources, including the State and Commonwealth Governments.

Payments can be made via QKR app, Direct Deposit, Cash or Cheque.

Bank details for Direct Deposit payments:

BSB: 066-040 Account: 1990 3469.

Please include your child's surname, first initial and purpose for payment (e.g. Smith A – VC)

#### Excursion & Incursion Activities 2020

A breakdown of maximum estimated charges for excursions and incursions for next year is listed below. You will never be charged more than is stated below, but will more than likely be charged less. Students will only incur these costs if they are involved in the particular activity. Behaviour incidences or non-payment by the agreed date will exclude students from participation.

Payment for excursions and incursions will be requested when necessary, throughout the 2020 school year.
