

# Learning Area Names

Rivergums Primary School  
2024

## Acknowledgement of Country

We, the Rivergums Primary School Community respectfully acknowledge the Traditional Owners of this land which we gather today, Whadjuk and Binjareb Noongar people. We pay our respect to past, present and future Elders who hold the culture, stories, memories and traditions of the lakes, land and water that has sustained many people over thousands of years.

Our school community strive for a better understanding to develop and enrich our appreciation of Australia's cultural heritage. We endeavour to embed these spiritual, educational and cultural practises within our school community.
